## OLMSTED FACILITIES & CAMPUS MAP

### THE MANOR HOUSE

The Manor House is the heart of the Olmsted estate. Built in 1917, this historic Tudor-style mansion was donated to the UMC by the family of George and Iva Olmsted. Folks from all over come to tour the facility, step back in time, and feel the radical hospitality the Olmsteds were known for. The Manor House provides classic bedroom accommodations for 12 overnight guests, elegant living and dining areas, and a full kitchen.

### THE CARRIAGE HOUSE

This private, apartment-style accommodation is located above the former carriage garage. Full kitchen and living space. Sleeps four.

### GARDENS & GROUNDS

Olmsted is housed on 300 acres surrounded by the Allegheny National Forest. The grounds are exquisitely maintained year round, and are worth a visit during any season.

### GROVES LODGE

Groves Lodge was added to the Olmsted campus in 1976 to expand the retreat ministry. This modern, accessible conference facility is built into the forest hillside and boasts a gorgeous view over the valley. It offers 16 rooms with two queen beds and private baths. Two loft rooms offer two queens and two singles each. The bright central dining room can accommodate 60 guests. Groves Lodge also houses several meeting rooms and a newly remodelled gathering space with a fireplace.
